Progressive Education Society was established by Late Shankarraoji Kanitkar and his 5 teacher colleagues in 1934 on auspicious day of “Akshay Tritiya”. The Key words in the history of Progressive Education Society are “Progressive” and “Modern”.

Modern College of Arts, Science and Commerce was started in year 2019. The fee structure of Modern College of Arts, Science and Commerce is well within the reach of poor and middle class students. Our mission is to develop competent, committed and compassionate leaders who will make a difference to the people among whom they work. • Community Connect

Community connect among college students and society is crucial as it cultivates a sense of civic responsibility and social awareness. It provides opportunities for students to engage in volunteer work, internships, and community projects, fostering personal growth and empathy. By bridging the gap between academia and real-world issues, community connect empowers students to become active contributors to society. It also enriches their learning experience by providing practical insights and networking opportunities beyond the campus environment.
